

Delicate Hand Wash

The Delicate Wash cube is perfect for hand washing delicate fabrics like wool, silk, or lace. It's made from our signature olive oil base with just a light touch of organic cedar essential oil. The organic, first cold press, olive oil respects the natural fibers and gently removes fresh stains. The cedar essential oil is a natural moth repellent and leaves behind a clean scent.

How to use: Place the bar of soap in a basin, add tepid or warm water (avoid hot water, especially when washing woolens), swish the soap around after letting it sit for a few minutes, then remove the bar. Add your delicate laundry and let it sit for 10-15 minutes. Wash gently (wool may felt if rubbed), rinse if desired, then hang or lay flat to dry.

Ingredients: 100% organic extra virgin olive oil, filtered water, organic cedar essential oil
